- **Option 2** – Review Yarra's detailed C269 documents, as outlined below.

Remember, the most important thing to do is to put in a submission, no matter how short. We are keen to continue community action on your behalf as well so we would really appreciate an email copy of what you submit, please send to [yarra.residents@gmail.com](mailto:yarra.residents@gmail.com). We plan to analyse all the responses we receive and followup with additional surveys as the C269 process continues next year.
